## Centre for Civil Society

Centre for Civil Society (CCS) is a Delhi-based public policy think tank that advances social change through public policy. Our work in education, livelihoods, governance and policy training furthers choice and accountability across public and private sectors. To translate policy into practice, we engage with policy and opinion leaders through research, pilot projects and advocacy. We have been ranked in the top 100, in the Global Go To Think Tank Index Report 2018 by Think Tanks and Civil Societies Program at the University of Pennsylvania

CCS envisions a world where each individual leads a life of choice in personal, economic and political spheres and every institution is accountable.
